Sir:

Amendment and Response

In response to the Office Action mailed November 10, 1999 (Paper No. 21), kindly amend the claims as follows and consider the following remarks.

IN THE CLAIMS:

81 1. (Three Times Amended) A method for the treatment of established joint inflammation in a [human or non-human] patient in need thereof comprising administering to the patient an effective anti-inflammatory amount of a composition comprising at least one purified antibody specific against C5 [C5 blocker, wherein the C5 blocker does not block the functions of
